

Managing Woodland for Wildlife - 26th March

Nigel Symes (RSPB) and Paul Orsi (Sylva Foundation) will lead a workshop on managing your woodland for wildlife, including a demonstration of the new Woodland Wildlife Toolkit.

Tuesday, 26th March 2019 (10.30 – 15.30)

Learn how to manage your woodland for wildlife.

The day will include:

- General background on wildlife associated with your woodland
- How to manage your woodland to encourage wildlife
- How to deal with potential conflicting needs between species
- Using the Woodland Wildlife Toolkit
- Use the Woodland Wildlife Toolkit to create an action plan for your woodland.
- Walk through a local woodland assessing its value for wildlife

There will also be an opportunity to have a tour of the Sylva Wood Centre and hear more about the Making Local Woods Work project.

Cost: FREE - 18 places

Venue: Sylva Wood Centre, Oxfordshire, OX14 4QT

Tutor: Nigel Symes (RSPB) and Paul Orsi (Sylva Foundation)

Bring: Laptop (if possible) for practical session. Boots/waterproofs for woodland walk.

Funded by Making Local Woods Work

When: March 26th, 2019 10:00am through to 3:30pm

Where: Sylva Wood Centre, Little Wittenham Rd, Long Wittenham, OX14 4QT
